Case No. 18-012

**SUMMARY ORDER OF DENIAL**

NOW on this 14 day of March, 2018, comes before the Kansas Board of Pharmacy (the "Board"), through its Executive Secretary, Alexandra Aleti ("Applicant"), for her application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board's Investigation Member enters this Summary Order of Denial in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, makes the following findings, conclusions and order:

**FINDINGS OF FACT**

For purposes of this order, the Board's Executive Secretary makes the following findings of fact:

1. On or about December 19, 2017, the Board received Applicant's application for registration as a pharmacy technician in the State of Kansas ("Applicant's Application").
2. Applicant answered "Yes" to the following question on her application: "Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in

any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors.”

3. Applicant included an S-150 Personal History statement, explaining that Applicant does not remember the events leading up to a 2015 battery offense. Applicant went on to detail a domestic battery offense from 2017 where there was an argument with a family member. The incident resulted in the police being called and Applicant’s arrest.

4. Applicant’s application materials indicate Domestic Battery arrests on July 23, 2015, and August 14, 2017. Materials further indicate an arrest and conviction for criminal damage to property on or about May 4, 2016, resulting in 30-days sentence in jail with underlying confinement of 12 months. Applicant has to-date not addressed to the Board the events surrounding this arrest or conviction.

#### CONCLUSIONS OF LAW

1. That pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration of a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(2), the Board may deny the granting of a license to an Applicant who has been charged with or convicted of a misdemeanor involving moral turpitude, and the licensee fails to show that the licensee has been sufficiently rehabilitated to warrant the public trust;

3. Pursuant to K.S.A. 65-1627(a)(3), the Board may deny the granting of a license to an Applicant who has been found by the Board to be guilty of unprofessional conduct.

4. That K.S.A. 65-1626(sss)(7) defines unprofessional conduct to include conduct likely to deceive, defraud or harm the public.

5. Applicant's multiple misdemeanor battery arrests and failure to show she has been sufficiently rehabilitated to warrant public trust is a basis to deny Applicant's Application pursuant to K.S.A. 65-1627(a)(2).

6. Applicant's multiple battery charges are instances of unprofessional conduct and are a basis to deny Applicant's Application pursuant to K.S.A. 65-1627(a)(3).

7. Applicant exhibits a recent consistent pattern of violent and illegal behavior which could present a danger to consumers in a pharmacy setting, thereby providing a basis for the Board to deny Applicant's Application.

#### ORDER

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby DENIED.
